- v) Financial bids will be opened only for technically qualified bidders.

### **14. BID EVALUATION PROCEDURE: -**

The bid evaluation will apply the Quality and cost-based selection (QCBS) formula. The Quality and Cost-Based Selection (QCBS) formula for evaluating bids involves calculating a weighted score for both technical and financial proposals. The formula is: Final Score = (Technical Score \* Weightage for Technical) + (Financial Score \* Weightage for Financial).

Here's a breakdown of the calculation:

#### **1. Technical Score (TS):**

- Each bidder's technical proposal is evaluated based on pre-defined criteria and awarded a score.
- This score is then normalised to a scale, often out of 100, to allow for comparison between bidders.
- The formula for normalised technical score (NTS) is:  $NTS = (\text{Bidder's Technical Score} / \text{Highest Technical Score}) * 100$ .

#### **2. Financial Score (FS):**

- The financial score is calculated based on the price quoted by the bidder.
- The lowest quoted price is given the highest financial score (usually 100).
- The formula for calculating the financial score (NFS) of other bidders is:  $NFS = (\text{Lowest Bid Price} / \text{Bidder's Bid Price}) * 100$ .

#### **3. Final Score:**

- The final score is calculated by multiplying the normalised technical and financial scores by their respective weightages and summing them up.
- For example, with a 70/30 weighting, the formula would be:  $\text{Final Score} = (NTS * 0.7) + (NFS * 0.3)$ .
- The bidder with the highest final score is typically selected.

**15. WORK PROGRESS REPORTING:**

The successful tenderer should submit the details of the progress of printing and supply every week regarding the actual number of copies of each title printed and supplied by them to the office of the Directorate of Kokborok &OML, Shiksha bhavan, Agartala, West Tripura.

**LIMITATION FOR TENDER:**

The successful tenderer shall not;

- i) Insert any advertisement on any books in any form.
- ii) Employ child labor in any process of work such as printing, binding, packing and supply of books.

- v) Financial bids will be opened only for technically qualified bidders.

#### **14. BID EVALUATION PROCEDURE: -**

The bid evaluation will apply the Quality and cost-based selection (QCBS) formula. The Quality and Cost-Based Selection (QCBS) formula for evaluating bids involves calculating a weighted score for both technical and financial proposals. The formula is: Final Score = (Technical Score \* Weightage for Technical) + (Financial Score \* Weightage for Financial).

Here's a breakdown of the calculation:

##### **1. Technical Score (TS):**

- Each bidder's technical proposal is evaluated based on pre-defined criteria and awarded a score.
- This score is then normalised to a scale, often out of 100, to allow for comparison between bidders.
- The formula for normalised technical score (NTS) is:  $NTS = (\text{Bidder's Technical Score} / \text{Highest Technical Score}) * 100$ .

##### **2. Financial Score (FS):**

- The financial score is calculated based on the price quoted by the bidder.
- The lowest quoted price is given the highest financial score (usually 100).
- The formula for calculating the financial score (NFS) of other bidders is:  $NFS = (\text{Lowest Bid Price} / \text{Bidder's Bid Price}) * 100$ .

##### **3. Final Score:**

- The final score is calculated by multiplying the normalised technical and financial scores by their respective weightages and summing them up.
- For example, with a 70/30 weighting, the formula would be:  $\text{Final Score} = (NTS * 0.7) + (NFS * 0.3)$ .
- The bidder with the highest final score is typically selected.

#### **15. WORK PROGRESS REPORTING:**

The successful tenderer should submit the details of the progress of printing and supply every week regarding the actual number of copies of each title printed and supplied by them to the office of the Directorate of Kokborok & OML, Shiksha bhavan, Agartala, West Tripura.

**LIMITATION FOR TENDER:**

The successful tenderer shall not;

- i) Insert any advertisement on any books in any form.
- ii) Employ child labor in any process of work such as printing, binding, packing and supply of books.

- v) Financial bids will be opened only for technically qualified bidders.

### **14. BID EVALUATION PROCEDURE: -**

The bid evaluation will apply the Quality and cost-based selection (QCBS) formula. The Quality and Cost-Based Selection (QCBS) formula for evaluating bids involves calculating a weighted score for both technical and financial proposals. The formula is: Final Score = (Technical Score \* Weightage for Technical) + (Financial Score \* Weightage for Financial).

Here's a breakdown of the calculation:

#### **1. Technical Score (TS):**

- Each bidder's technical proposal is evaluated based on pre-defined criteria and awarded a score.
- This score is then normalised to a scale, often out of 100, to allow for comparison between bidders.
- The formula for normalised technical score (NTS) is:  $NTS = (\text{Bidder's Technical Score} / \text{Highest Technical Score}) * 100$ .

#### **2. Financial Score (FS):**

- The financial score is calculated based on the price quoted by the bidder.
- The lowest quoted price is given the highest financial score (usually 100).
- The formula for calculating the financial score (NFS) of other bidders is:  $NFS = (\text{Lowest Bid Price} / \text{Bidder's Bid Price}) * 100$ .

#### **3. Final Score:**

- The final score is calculated by multiplying the normalised technical and financial scores by their respective weightages and summing them up.
- For example, with a 70/30 weighting, the formula would be:  $\text{Final Score} = (NTS * 0.7) + (NFS * 0.3)$ .
- The bidder with the highest final score is typically selected.

**15. WORK PROGRESS REPORTING:**

The successful tenderer should submit the details of the progress of printing and supply every week regarding the actual number of copies of each title printed and supplied by them to the office of the Directorate of Kokborok &OML, Shiksha bhavan, Agartala, West Tripura.

**LIMITATION FOR TENDER:**

The successful tenderer shall not;

- i) Insert any advertisement on any books in any form.
- ii) Employ child labor in any process of work such as printing, binding, packing and supply of books.

- v) Financial bids will be opened only for technically qualified bidders.

### **14. BID EVALUATION PROCEDURE: -**

The bid evaluation will apply the Quality and cost-based selection (QCBS) formula. The Quality and Cost-Based Selection (QCBS) formula for evaluating bids involves calculating a weighted score for both technical and financial proposals. The formula is: Final Score = (Technical Score \* Weightage for Technical) + (Financial Score \* Weightage for Financial).

Here's a breakdown of the calculation:

#### **1. Technical Score (TS):**

- Each bidder's technical proposal is evaluated based on pre-defined criteria and awarded a score.
- This score is then normalised to a scale, often out of 100, to allow for comparison between bidders.
- The formula for normalised technical score (NTS) is:  $NTS = (\text{Bidder's Technical Score} / \text{Highest Technical Score}) * 100$ .

#### **2. Financial Score (FS):**

- The financial score is calculated based on the price quoted by the bidder.
- The lowest quoted price is given the highest financial score (usually 100).
- The formula for calculating the financial score (NFS) of other bidders is:  $NFS = (\text{Lowest Bid Price} / \text{Bidder's Bid Price}) * 100$ .

#### **3. Final Score:**

- The final score is calculated by multiplying the normalised technical and financial scores by their respective weightages and summing them up.
- For example, with a 70/30 weighting, the formula would be:  $\text{Final Score} = (NTS * 0.7) + (NFS * 0.3)$ .
- The bidder with the highest final score is typically selected.

**15. WORK PROGRESS REPORTING:**

The successful tenderer should submit the details of the progress of printing and supply every week regarding the actual number of copies of each title printed and supplied by them to the office of the Directorate of Kokborok & OML, Shiksha bhavan, Agartala, West Tripura.

**LIMITATION FOR TENDER:**

The successful tenderer shall not;

- i) Insert any advertisement on any books in any form.
- ii) Employ child labor in any process of work such as printing, binding, packing and supply of books.

### **14. BID EVALUATION PROCEDURE: -**

The bid evaluation will apply the Quality and cost-based selection (QCBS) formula. The Quality and Cost-Based Selection (QCBS) formula for evaluating bids involves calculating a weighted score for both technical and financial proposals. The formula is: Final Score = (Technical Score \* Weightage for Technical) + (Financial Score \* Weightage for Financial).

Here's a breakdown of the calculation:

#### **1. Technical Score (TS):**

- Each bidder's technical proposal is evaluated based on pre-defined criteria and awarded a score.
- This score is then normalised to a scale, often out of 100, to allow for comparison between bidders.
- The formula for normalised technical score (NTS) is:  $NTS = (\text{Bidder's Technical Score} / \text{Highest Technical Score}) * 100$ .

#### **2. Financial Score (FS):**

- The financial score is calculated based on the price quoted by the bidder.
- The lowest quoted price is given the highest financial score (usually 100).
- The formula for calculating the financial score (NFS) of other bidders is:  $NFS = (\text{Lowest Bid Price} / \text{Bidder's Bid Price}) * 100$ .

#### **3. Final Score:**

- The final score is calculated by multiplying the normalised technical and financial scores by their respective weightages and summing them up.
- For example, with a 70/30 weighting, the formula would be:  $\text{Final Score} = (NTS * 0.7) + (NFS * 0.3)$ .
- The bidder with the highest final score is typically selected.

**15. WORK PROGRESS REPORTING:**

The successful tenderer should submit the details of the progress of printing and supply every week regarding the actual number of copies of each title printed and supplied by them to the office of the Directorate of Kokborok &OML, Shiksha bhavan, Agartala, West Tripura.

**LIMITATION FOR TENDER:**

The successful tenderer shall not;

- i) Insert any advertisement on any books in any form.
- ii) Employ child labor in any process of work such as printing, binding, packing and supply of books.
